Dr. Mohit Bhandari
Course Director

Dr. Manoel Galvão Neto
Course Director

At IRCAD India, we recognize the pivotal role of artificial intelligence in shaping the future of healthcare. We believe that young surgeons and physicians must be well-versed in the latest technologies, including AI, to deliver optimal patient care and stay ahead in their fields. Through our specialized training programs, we ensure that our participants are well-prepared to harness the power of AI in their practice.

Leading the charge at IRCAD India is Dr. Mohit Bhandari, serving as the President of IRCAD India. Under his guidance and expertise, IRCAD India continues to push boundaries and set new standards in surgical education. Professor Jacques Marescaux, the President of Global IRCAD, provides invaluable leadership and support to our institute, further cementing our position as a global center of excellence in minimal access surgery training.

Join us at IRCAD India and embark on a transformative journey towards surgical excellence, innovation, and mastery. Experience the future of surgery today with IRCAD India – Where Excellence Meets Innovation!

India

DAY -1

PROGRAM SCHEDULE

Live Surgery & Metabolic Medicine

8:30 AM - Welcome Address

Speakers: Mohit Bhandari, Manoel Galvão Neto

8:45 - 9:00 AM

Opening Lecture

Why Bariatric Endoscopy is Essential
for a Gastroenterologist

Introduction to the program -

Mohit Bhandari

9:00 - 1:00 PM

Live Surgery

Primary Procedures

- Endoscopic Sleeve Gastroplasty (ESG)

- Endomina

- POSE 2

- Endozip

- Mega POSE

- Intra-gastric Balloon Placement &
Removal

- Procedure-less Balloon

10:30 - 11:00 AM

Coffee Break

Hybrid Procedures & Combination

Therapy:

- Endoscopic Sleeve with Magnetic Loop

Bowel Bi-Partition

- Magnetic Anastomosis - Duodenum

Revisional Surgery

- TORe with APC and Overstitch

- TORe and Pouch Revision with EMR,
APC, and Overstitch

- ROSE Double Anchor Technique

- Resuturing Post Sleeve

- Resuturing Post ESG

Treatment of Complications.

- Pigtail Placement for Fistula

- Septotomy for Chronic Fistula

- Esosponge Placement for Fistula

- Stent Placement for Fistula

- Candy Cane Suturing

- EDGE Procedure for CBD Stones

DAY -1

PROGRAM SCHEDULE

ircad
India

1:00 - 2:00 PM

Lunch

2:00 - 3:00 PM

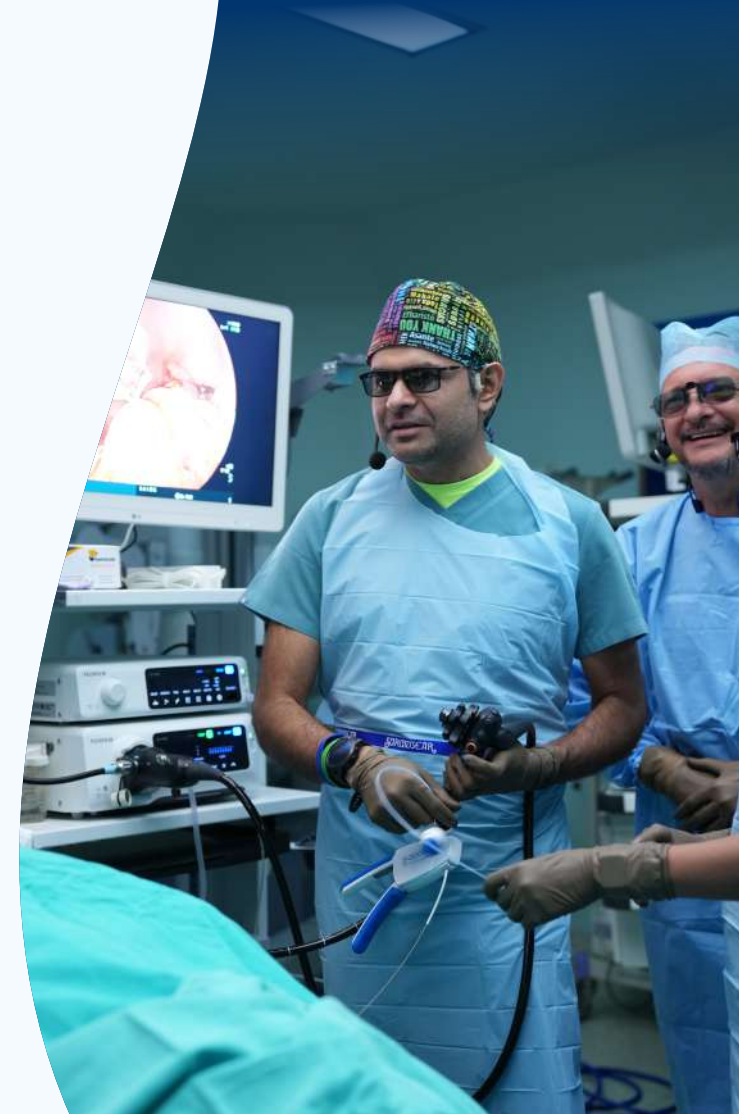

Lectures & Plenary Session

Keynote Lecture: **Early Lessons for
Beginners in Bariatric Endoscopy**

3:00 - 6:00 PM
