→ Era of Perfection NOT Experimentation

The objective of this course is to share structured practical training, safe handling, maintenance, and effective utilization of laparoscopic surgical instruments/ accessories with OR Champions

COURSE WOULD ENABLE TO:

- * Understand the basic principles of laparoscopic instruments and their appropriate use in the operating room.
- * Learn appropriate ways of handling, cleaning, assembling, checking, and storing surgical instruments.
- * Identify common causes of instrument damage and breakdown, and adopt preventive maintenance practices.
- * Improve instrument readiness and reduce delays during surgical procedures.
- * Strengthen OR teamwork by improving coordination between surgeons, nurses, and OT technicians.
- * Enhance efficiency in surgical workflow through better organization and utilization of instruments and equipment.
- * Develop greater confidence in assisting during laparoscopic procedures while maintaining safety and quality standards.

KEY TAKE HOME:

- * Enhanced lifespan of costly laparoscopic instruments through proper handling, cleaning, assembly, and storage practices.
- * Reduced instrument breakdown and downtime by improving awareness of preventive maintenance and safe usage protocols.
- * Improved maintenance standards for surgical instruments and equipment used in the operating room.
- * Lower total cost of ownership by minimizing avoidable damage, repair costs, and premature replacement of instruments.
- * Endoscopically oriented OR staff capable of assisting surgeons more effectively during laparoscopic procedures even in challenging conditions
- * Improved OR efficiency/means more OR working hours and teamwork through better instrument readiness, smoother workflow, and coordinated support during surgery.
- * Increased patient safety by promoting safe handling of instruments, equipment, and OR processes.
- * Overall meeting medical industry standard

Note: Annual membership for OR Champion course is available for hospital/institution.

→ Day 1 – 20 JUNE 2026, Saturday

TIME	LECTURE / SESSION
