

3-Day Hands-On Laparoscopic Bariatric & Metabolic Surgery Masterclass

→ COURSE DIRECTOR

◆ Dr. Mohit Bhandari

📅 03rd to 05th SEPTEMBER 2025 | 📍 IRCAD INDIA

Seats: Limited to 20 Surgeons Only

⑦ Why This Course?

This isn't a lecture-based program –
it's an intensive hands-on, skill-building experience.
You'll learn directly from Dr. Mohit Bhandari and other eminent faculties.

⑦ Who Should Attend?

- ◆ Practicing general surgeons beginning bariatric work
 - ◆ Laparoscopic surgeons looking to upgrade their techniques
 - ◆ Advanced bariatric surgeons wanting to learn cutting-edge innovations
-

⑦ Unique Opportunity to Train with Your Team:

- ◆ Bring your anaesthetist to train under the most experienced team and learn techniques of anaesthesia in obese patients.
- ◆ Bring your assistant/OT tech to train under the world's most experienced team on how to assist during complex bariatric procedures.
