

Pelvic Acetabular Course

Cadaveric Workshop

Course Overview

- Develop competency in injury classification with evidence-based surgical planning and execution.
- Structured approach to **Pelvic & Acetabular fracture management**
- Radiology-based planning & surgical decision-making
- Step-by-step **approach selection & fixation techniques**
- Management of complex cases & intraoperative complications
- Hands-on **Cadaveric Dissection with expert faculty guidance**

For 5 year post MS Orth- performing 20 cases per year or working in Pelvic-Acetabular Units

Dates : 25 - 26th July 2026

2 Days Workshop

Core Faculty:

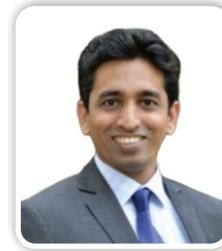

Dr. Abhay Elhence
AIIMS, Jodhpur

Dr. Ashok Gavaskar
Rela Hospital, Chennai

Dr. Atul Patil
Sancheti Hospital, Pune

Dr. Pradip Nemade
KEM, Mumbai

Dr. Ramesh Perumal
Ganga Hospital, Coimbatore

Dr. Srinivas Kasha
KIMS Hospital, Hyderabad

Dr. Sameer Agarwal
PGI, Chandigarh

Fee Structure:

Early Bird Offer
INR 40,000
USD 650
Incl. of taxes

Normal Fee:
INR 45,000 | USD 750
Incl. of taxes

25th July 2026, Saturday

DAY 1

TIMINGS	TOPIC	PRESENTER
8:30 - 8:45	Welcome and registration	Dr. Abhay Elhence
	Pelvic Session - Module 1 -Assessment of Pelvic Ring Damage	Dr. Dr. Srinivas Kasha (Moderator)
8:45 - 8:55	Anatomy and Classification	Dr. Ramesh Perumal
8:55 - 9:05	X Ray and CT based Assessment	Dr. Ashok Gavaskar
9:05 - 9:15	Emergency Mangement of pelvic Injuries (Angioembolization Vs Pelvic Packing)	Dr. Ramesh Perumal
9:15 - 9:35	Case Discussion	Dr. Srinivas Kasha
9:35 - 9:45	Break	
	Pelvic Session - Module 2 - Definitive Management of Pelvic Ring Damage	Dr. Abhay Elhence (Moderator)
9:45 - 9:55	Anterior Ring Injuries	Dr. Srinivas Kasha
9:55 - 10:05	Posterior Ring Injuries	Dr. Pradip Nemade
10:05 - 10:15	Sacral fractures	Dr. Abhay Elhence
10:15 - 10:25	Combined Pelvi -Acetabular fractures	Dr. Atul Patil
10:25 - 10:55	Case Discussion 1	Dr. Abhay Elhence
10:55 - 11:20	Case Discussion 2	Dr. Pradip Nemade
	Pelvic Session - Module 3 - Special Situations in Pelvic ring trauma	Dr. Pradip Nemade (Moderator)
11:20 - 11:30	Pelvic fractures in Elderly - Management and Outcomes	Dr. Atul Patil
11:30 - 11:40	Paediatric Pelvic fractures - Management and Outcomes	Dr. Ramesh Perumal
11:40 - 11:50	Associated Injuries in Pelvic trauma -Management and Outcomes	Dr. Atul Patil
11:50 - 12:05	Case Discussion	Dr. Pradip Nemade
12:05 - 12:35	Lunch	
	Acetabular Session - Module 1 - Assessment of Acetabular fractures	Dr. Ashok Gavaskar (Moderator)
12:35 - 12:45	Classification and Radiological Assessment (Xray and CT based)	Dr. Ashok Gavaskar
12:45 - 13:05	Case Discussion- 4 Short Case	Dr. Pradip Nemade
	Acetabular Session - Module 2 - Decision Making and Definitive Management	Dr. Sameer Agarwal (Moderator)
13:05 - 13:15	Choosing the right approach - Single Vs dual approach	Dr. Sameer Agarwal
13:15 - 13:25	Planning and Execution of Lag Screw fixation	Dr. Ashok Gavaskar
13:25 - 13:35	ABC fractures	Dr. Ashok Gavaskar
13:35 - 13:40	T fractures	Dr. Srinivas Kasha
13:40 - 13:50	Posterior Injuries	Dr. Abhay Elhence
13:50 - 14:00	Marginal Impaction	Dr. Pradip Nemade
14:00 - 14:10	Break	
14:10 - 14:40	Case Discussion 1	Dr. Srinivas Kasha
14:40 - 15:10	Case Discussion 2	Dr. Atul Patil
	Acetabular Session - Module 3 - Special Situations and Day 1 Cadaver Lab	Dr. Ashok Gavaskar (Moderator)
15:10 - 15:20	Elderly Osteoporotic Acetabular fracture	Dr. Abhay Elhence
15:20 - 15:30	Floating Hips	Dr. Atul Patil
15:30 - 17:30	Complications in PA Trauma - Module 4 - Case Discussion	All Faculty and Panelists
	1. Intraop Vasular Injury	Dr. Ashok Gavaskar
	2. Sciatic Nerve Injury	Dr. Srinivas Kasha
	3. Reduction Failure	Dr. Ramesh Perumal
	4. Intra-articular Screws	Dr. Atul Patil
	5. Pelvis Malreductions	Dr. Abhay Elhence
	6. Morel Lavallee and Wound Complications	Dr. Pradip Nemade

26th July 2026, Sunday

DAY 2

TIMINGS	TOPIC	PRESENTER
8:00 - 8:15	Demonstration of IF approach with ASIS Osteotomy and Stoppa Anterior Column Lag Screws (LC-2, Supraacetabular screw) + PC lag screws + Anterior SI Plate + JNJ plate	Dr. Abhay Elhence/ Dr. Pradip Nemade/ Dr. Atul Patil/ Dr. Sameer Agarwal
8:45 - 10:30	Cadaver Lab for Delegates	All faculty on one cadaver station each
10:30 - 10:45	Tea Break	
10:45 - 11:15	Demonstration of KL Approach + Ganz Osteotomy	Dr. Ashok Gavaskar Dr. Srinivas Kasha
11:15 - 12:15	Cadaver Lab for delegates	All faculty on one cadaver station each
12:15 - 13:15	Demonstration of Approach to Sacrum	
13:15 - 13:30	Feedback and Closing Remarks	Dr. Ramesh Perumal Dr. Abhay Elhence
13:30 - 14:00	Lunch
