## WELCOME LETTER

Greetings from the Organizing Committee of WorldCon 2026!

It gives us immense pleasure to invite you to be a part of the 11th World Congress of Coloproctology (WorldCon 2026), scheduled from April 2nd -5th, 2026 at the Brilliant Convention Centre, Indore, India.

As we mark this milestone edition, WorldCon 2026 promises to be an enriching platform that unites global leaders, surgeons, and researchers in the field of coloproctology. The Congress will focus on exchanging innovative ideas, sharing the latest advancements, and fostering collaboration to shape the future of colorectal science.

The scientific sessions will include pre-conference workshops, live demonstrations, and interactive panel discussions, highlighting new frontiers in Laser, MIPH, VAAFT, Robotics, and Advanced Laparoscopic Techniques. Our goal is to create a dynamic learning experience that bridges knowledge and practice.

Indore - known as the cleanest city and the heart of India - offers the perfect setting for this academic celebration. We look forward to welcoming you to an event that combines insightful science, engaging discussions, and warm hospitality.

Join us at WorldCon 2026, Indore, as we move together toward innovation, excellence, and the advancement of coloproctology worldwide.

Warm regards,

**Dr. Ishant Chourasia**

## ORGANISING COMMITTEE

The International Society of Colo-Proctology (ISCP) is a society of like-minded surgeons practicing colorectal surgery which was formed on 21st October 2012 at Jaipur under the able leadership & guidance of Dr. S. D. Chivate, Dr. Dinesh Jindel, Dr. J. C. Baid, Dr. Pradeep Sharma, with Dr. S. D. Chivate as the President and Dr. Dinesh Shah as Honorary Secretary. This was an organization of surgeons to promote and spread the advancement of Colorectal Surgery throughout India and beyond. Though the number of members were almost negligible, the numbers grew very fast due to continuous hard work of the members and transparency of the association. Covering the entire country, today it has become a force to reckon with spear heading the vast experiences and knowledge each member acquired in his own field, to ultimately share the same with fellow surgeons.
